In France, there are 24,000 volunteers in all regions with nearly 1,200 service clubs, each located in the heart of a city. We take action and are committed to supporting a number of essential causes, such as:

- the fight against precariousness and malnutrition, blindness
- diabetes and childhood cancer
- humanitarian aid
- youth support
- culture and environmental protection

Lions members are volunteers whose open-mindedness makes them want to help and feel useful to the less fortunate, and often well beyond

Globally, Lions meet each year at the International Convention and Forums on each continent.

VPA, beneficiary action of the Europa Forum 2024

Vacances Plein Air or VPA is a major action of the Lions club de France for the benefit of disadvantaged children.

VPA GIRONDE is one of the 16 local associations in France, the only one totally managed by members of the 2 clubs of the city, **Barbots** and **Parqueurs**.

100% Lions, it offers the most disadvantaged children of Aquitaine, Ile de France... stays in the open air in its center of Gujan-Mestras.

It organizes for this purpose 3 stays of 14 days in July and August in groups of 110 children, aged from 6 to 12 years. Without this action, the children would not go on holiday.

The benefits of the Europa Forum 2024 will be used to provide subsequent assistance to the centre for work (painting, security, fencing, etc.), the purchase of equipment (tents, beds, tables, etc.) and the improvement of childcare conditions.
