France

Dear Lions,

Congratulations on your Europa Forum!

It is always an honor to be a part of an event like this. Because whenever Lions come together, we are reminded of the incredible connections we share. We celebrate our successes and truly understand that together, we can accomplish so much.

Take this opportunity to strengthen the bond that you share. Encourage and learn from one another. Build each other up. And as you look to the future, continue to innovate your service, empower new leaders and inspire those around you to take action.

Together, we can continue to find creative solutions to solve the world's most pressing problems and make a difference every day.

Sincerely,

Dr. Manoj Shah
